

ECOFFIN Instructions

In the event of my death, please note my wishes for provision of a coffin.

Please contact ECOffin at **info@ecoffins.com.sg** or **+65 9726-7074** to make the arrangements.

My desired design is as follows (circle as appropriate):

I want to be buried / cremated
Colour white / kraft brown
Sides 4 / 6
Viewing window Yes / No

Special design requests:

Would you like the coffin to be decorated during the wake / funeral service or would you like it left blank?

If decorated, how would you like your friends and family to decorate it?

Do you have any personal items you wanted included inside or on top of the coffin?

Place these instructions with your funeral plans and inform a trusted friend or family member to ensure your wishes are carried out.
